2. What is the history of St. Eugene University?

DMI St. Eugene University was founded by the Sisters of Daughters of Mary Immaculate and Collaborators who hail from India. DMI has the history of running many universities and colleges across the globe. In Zambia DMISEU was founded in 2007 as a private university and is functioning from 3 campuses and 10 centers. DMISEU hails partnership with Universities and Colleges across the globe. DMISEU has graduated more than 12000 graduates till date.

3. What is IVDL?

Institute of Virtual & Digital Learning (IVDL) is an institute under the DMI St. Eugene University (DMISEU) which is handling the virtual and digital learning activities of the university. IVDL was founded in 2014 and is offering many courses on virtual mode through its centres and direct to the students.

4. What are the benefits of IVDL over traditional classroom learning?

It enables faculty to teach and collaborate effectively across different locations. This technology enhances student engagement by providing interactive and real-time learning experiences, promoting active participation and knowledge retention.

Overall, choosing IVDL offers students a modern and dynamic educational experience that combines traditional learning elements with innovative technology to enhance learning outcomes and prepare students for future success in a digital world.

Advantages of IVDL includes

4.1 Flexibility

4.2 Accessibility

4.3 The ability to study from anywhere

4.4 The opportunity to review recorded lectures
